CENTRALESUPELEC  
XXIIème édition

## To and back from the Raid CentraleSupélec 2021

### Outward journey

For the outward journey we propose 3 options:

- Go to **Seynod** (finish point of the race) by **car**. From there a shuttle bus will leave towards **Le Sappey-en-Chartreuse** (meeting point for the night before the following day's departure) on Tuesday 27th April (the day before the start).
- Go to **Paris**. We are negotiating with the SNCF (French national railway company) group tariffs to go to Grenoble by TGV. From there a shuttle bus will leave towards **Le Sappey-en-Chartreuse**.
- Go to Grenoble by your own means, and take advantage of the shuttle bus towards **Le Sappey-en-Chartreuse**.

### Return journey

For the return journey we also propose 3 options:

- Pick up your car in Seynod. **We advise you to bring several drivers because fatigue can make the journey long.**
- We also offer a **shuttle bus** from the place where the closing ceremony ends to **Annecy**. From there we will leave by train to Paris Gare de Lyon, for which we are negotiating preferential tariffs.
- Take advantage of the shuttle to **Annecy**, then return by your own means

**We will communicate details of prices and shuttle times as soon as we know them.**
